

## Journey back to days gone by

Children at the Fraser Early Education Community center got ready for Thanksgiving by learning about how the pilgrims spent their days.

Above left: The program taught kids about what sort of toys children played with in the 1800s. Allison McGill, 4, plays with one of the wooden toys.

Above right: Landin Cowan, 4, practices grinding corn.

Left: Jenna Kopich and Skylar Grzebyk, both 4, learned how to roll and knead dough for baking.
