Fraser High School students launched a new program to foster positive relationships and encouragement with kids in the city's elementary schools. Students involved in the Big Sibs, Little Sibs program hosted a Happy Un-Birthday event Dec. 5, and will plan more events throughout the school year. Above: FHS student Noel Granger, left, helped organize the Big Sibs, Little Sibs program. She leads students in singing "Happy Birthday" at the party. Left: Kindergartner Anastasia Torres colors a picture with her new Big Sib, FHS senior Samantha Jennings.
